

NIHAN PEKER

Nihan Peker has launched her new collection Fall 2021 during Fashion Week Istanbul. After her colorful Spring 2021 Ready-to-Wear Collection which she designed in pandemic days, now it's time to show a more self-assured collection.

“I'm delighted to introduce the latest pieces from Nihan Peker collection” said designer herself. Throughout the design process, the goal was to create a collection that embodies modern woman and glamorous luxury with the finest craftsmanship.” Peker would like to stay between Ready-to-Wear and Haute-Couture. That's why we call her collections 'Pret-a-Couture'.

This FW21 collection has volume, colour and elegance. Despite the bold and exaggerated designs, it is a collection that still manages to stay minimal.

Her collections is available in over 10-doors internationally including newly launching in Ounass.com.
